

JOIN RETAL AT NPE2018: THE PLASTICS SHOW

RETAL is pleased to announce its participation at NPE2018: The Plastics Show on May 7-11, 2018, in Orlando, Florida. RETAL welcomes visitors to stand S14059 in the Bottle Zone to share its latest packaging solutions across an extensive portfolio of preforms, closures, containers and films. RETAL is keen to understand the needs and challenges of customers and can even prepare a customized offer for your business at the show.

Its expanding capabilities including a new factory in Pennsylvania should be especially interesting for American producers and suppliers who are looking for high quality, competitively priced products, exceptional services and the best packaging solutions.

The RETAL team, including global and local experts, will be on hand to find out about your needs and challenges, and to advise on a wide range of packaging solutions for different segments including still water, carbonated soft drinks, juices, dairy and other food and non-food products.

Please contact RETAL today to register for NPE2018 for free using our personal Guest Pass to obtain an Expo Pass as a valued RETAL customer.

Looking forward to meeting you soon at stand S14059 in the Bottle Zone
